BACK to School Items for Mr. Fine

-Literature Log = Most students use a 1-subject spiral notebook or composition book. Students that type their lit logs may choose to use a small 3-ring binder.

-Pens or pencils = I strongly suggest starting the year with at least one dozen pens or pencils for my class. I do not care what the students write with, but coming to class without a writing implement is a BIG PROBLEM!

Humanities 7 & 8

- 2 1-subject notebooks (one for each semester) for reading notes
- 1 small or medium 3-ring binder or similar system for class notes

Many students choose to keep materials for their classes in one larger 3-ring binder and create sections for their notes, notebooks and other materials.

English 9

- 1 1-subject notebook for class notes

BACK to School Items for Mr. Ellis

Humanities 10/English 11/Eng. 12/ AP: 3 subject notebook, pocket folder, loose leaf paper, blue or black pens

Senior Seminar: 1" binder, pocket folder, notebook, blue or black pens

Back to School Items for PE & Indoor Recess – Mr. Hooper

Sneakers are required for gym use at all times.

K-6 classes are required to have sneakers for Physical Education. Sneakers should be laced up tight. It is not a requirement to change clothes. If a student wishes to change, they may change in the locker rooms next to gym.

7-12 grade students are required to change into tee-shirt, shorts and sneakers for each class. Lockers are provided next to the gym. Students are asked to bring a lock from home to secure their belongings. Our locker rooms are used by other students and KCS friends throughout the year. A lock is the only sure way we can keep your belongings safe.
